

## **NHS 111 service**

111 is the NHS non-emergency number. It's fast, easy and free. Call 111 and speak to a highly trained advisor, supported by healthcare professionals. They will ask you a series of questions to assess your symptoms and immediately direct you to the best medical care for you.

**NHS 111 is available 24 hours a day, 365 days a year. Calls are free from landlines and mobile phones.**

□

### ***Important Notice: Coronavirus – Covid-19***

□

**In light of recent events, if you have recently travelled through Mainland China, Hong Kong, Japan, Macau, Malaysia, Republic of Korea, Singapore, Taiwan or Thailand or have been in contact with someone who has, and are experiencing flu like symptoms, a cough, shortness of breath or respiratory problems, we advise you stay at home and please visit the following links:**
